REPORTING DATE: 31 DECEMBER 2017

The practical application of the enhanced disclosure principles and benchmarks as required by RG 46 for the APN Coburg North Retail Fund is presented below. An overview of each of the principles and benchmarks, including detailed explanations and definitions can be found at <http://apngroup.com.au/investors/investors-information/>.

Fund overview

The APN Coburg North Retail Fund is a single asset, closed-end unlisted property trust that invests in a shopping centre in Coburg Hill, Melbourne.

The principal activity of the Fund is to invest in a single asset, which offers a sustainable income yield and has the potential for capital growth. The Fund will seek to increase its value by actively managing the asset, leasing the vacant space and extending the lease term of the major tenant to maximize the weighted average lease expiry ("WALE") profile.

The information set out below has been calculated based on the latest financial statements for the period ended 31 December 2017.
