Investment objectives

The primary investment return objectives of the Fund are to:

- provide investors with a consistent and relatively high level of income compared to the Benchmark², combined with some capital growth, derived predominantly from investing in global REITs;
- provide a level of capital growth which at least matches increases in CPI over a 5-7 year time horizon; and
- provide lower than market volatility³.

Benefits

- Focus on generating sustainable, regular and relatively high income returns through investing in global listed property securities.
- Access to an underlying diversified portfolio of thousands of quality commercial real estate assets located in North America, Asia Pacific and European markets.
- Monthly distributions.
- Actively managed (non-index aware) portfolio, applying a highly disciplined and proven strategy designed to deliver on the Fund's income and risk objectives.
- 100% liquid – daily applications and withdrawals.

This Fund is suited to:

- Investors seeking consistent and relatively high levels of income.
- SMSFs - investors managing their own retirement.
- Investors wanting access to a diversified portfolio of quality global REITs.
- Medium to long term investors.
